

CREATIVE

The creative intern's primary function is to execute the production of design under the guidance of the creative management team. Client projects you may work on include branding and identity, print collateral, web design, digital ads, and motion graphics for video.

REQUIREMENTS

- ✓ strong background in art direction and/or graphic design
- ✓ an eagerness to learn
- ✓ a collaborative mindset to be able to support the agency's teams with various campaigns
- ✓ online portfolio required with resume

INTERN SUPERVISOR

John Bogan, Senior Art Director
