

# INTERN PROGRAM OVERVIEW

## OVERVIEW

Our internship program is designed to offer interns a hands-on learning experience by providing them with maximum exposure to the day-to-day business of an integrated marketing agency.

From intern to employee, there are currently 6 full-time agency members who began their journeys at 451 as interns. This return rate speaks for itself in how rooting your skills in the basics can prove to be the beginnings of a career.

Throughout the program, interns also have the opportunity to attend seminars that offer them exposure to other areas of the agency beyond their assigned departments. Agency 451 is dedicated to hiring a diverse group of outstanding talent with a passion for our business. Whether you're working alongside interns from other departments on non-profit client work or shadowing your supervisor in a brainstorm, the daily intern experience at 451 is unparalleled.
